*Dear Biggleswade Scouts*

I was pleased to read in the Biggleswade Chronicle that your Scouting Group, alongside volunteers from UK Power Networks, have been able to renovate and redecorate the building and grounds of your Scout Hut in Biggleswade.

I understand that the work involved re-painting several large doors, gates, and fences as well as removing weeds, mowing lawns, and trimming hedges. I am sure that it was tiring work but well worth it to improve the hut and grounds.

I would be grateful if you could also pass on my thanks to the UK Power Networks employees who assisted you in this endeavour. It is pleasing that such companies are able to allow their staff two days' paid leave per year to undertake public service works and believe that their example is a good one for other businesses to follow.

Well done to each and every one of you!

Sincerely,

*Richard*
